

# FUTURE CLINICAL COMMISSIONING LEADERS: A development programme

## Are you:

- ✓ A senior clinical leader working in commissioning with support from your local Clinical Commissioning Group to develop your skills?
- ✓ Looking to move into a commissioning leadership role in the next 12-18 months or new to one within the last nine months?
- ✓ Wanting to develop your commissioning and leadership skills?
- ✓ Working on a complex commissioning project?
- ✓ Looking to network and share experiences with peers?

The NHS Leadership Academy, in collaboration with NHS England, has developed a new tailored development programme for senior clinicians who are looking at applying for a CCG accountable officer or chair role in the next 12-18 months. This nine-month programme will incorporate:

- An assessment process
- Three residential elements covering system and personal leadership, commissioning skills, and CCG-specific knowledge
- Coaching and mentoring
- Facilitated shared learning

For more details on next cohorts, eligibility and the application process please contact [david.peat@leadershipacademy.nhs.uk](mailto:david.peat@leadershipacademy.nhs.uk)

The programme is fully funded but you will need to make your own travel arrangements.
