

CCG Strategic / Corporate Objectives 2019/20:

1. Through better commissioning improve local and national health outcomes, particularly by addressing poor outcomes and inequalities.
2. To maintain and improve performance against core standards.
3. To help create the safest, highest quality health and care service.
4. To balance the NHS budget and improve efficiency and productivity.
5. To lead a step change in the NHS preventing ill health and supporting people to live healthier.
6. Transforming models of care across acute, community and primary care. To improve out of hospital care.
7. To deliver good governance in accordance with the CCG Constitution.
