

Self-Referral Service Sexual Assault Referral Centre (SARC)

Oakwood Place is the dedicated SARC for Essex providing care to victims of rape and sexual assault.

Self-Referral Service – Oakwood Place SARC provides an alternate option for people who do not want to, or are undecided, whether to report an assault to police.

Clients may be offered a forensic examination in order to gather evidence, should they wish to report to police at a later date. Any evidence obtained can be stored securely for up to seven years or until a decision has been made.

Self-referral examinations are arranged by appointment between the hours of 8am-8pm seven days a week.

The opportunity to have a forensic examination depends on forensic timescales and the nature of the assault.
